 Portugal  Vinhos Verdes  White Vinho Verde  
 Quinta de Soalheiro  
 Alvarinho  2015  13% vol.

This is one of those wines that do not deceive. Quality remains unchanged year after year. And, now that the 2016 has arrive, this one it's at his peak. It is also a wine that can wait a long time in the bottle, being an interesting experience to prove it with some age. The aroma does not deceive: alvarinho, alvarinho! In the mouth it is full-bodied, silky and very tasty, with very long finish. It is exactly what is expected of him.
